High-Quality Digital Photography & Video For Use In Brochures, Sales Videos, Websites, Trade Show Displays...

TAC has over 35 years experience shooting industrial manufacturing in the US and Canada. Some industrial applications we have photographed has included manufacturers of electronics, plastics, motors, gears, chemicals, bread, chocolate, and more. Often we shoot broadcast-quality video and photography on the same shoot, which saves our clients time and money. See our on-location package flyer or our website for more information.
