

OVER 35 YEARS IN-STUDIO SETS FOR PHOTOGRAPHY & VIDEO PROD.

Photography & Video In-Studio Custom Built Settings For Your Products Or Service

If your product requires a special background setting or if securing an actual application location is prohibitive, TAC can build the set required to simulate the desired scene. Set design and development can be as simple as a custom background or can include building a facade of walls, windows, or complete rooms. Call TAC today to discuss your specific requirements.
